I will let you know today about a date/time. Will you be sharing an embargoed copy of the report beforehand that I can circulate to the team?

Palmer -

I'd like to get a time scheduled for a briefing on a new report that Commercial Fishermen for Bristol Bay have produced that better accounts for the true economic benefits of that industry. I think you and your colleagues will find the report extremely interesting.

Our schedule is filling up fast but right now we have time Tuesday or Wednesday morning at 10 or 11 AM both days.

Best -
